USE PROJECT is the perfect illustration of EMTEC's vow to innovate by rethinking the usage of common technology products.

For this first edition, Cedric Ragot delivers his vision of mobile accessories.

**USE** project

Charge your smartphone with style!

Ever dreamt of getting rid of all of those charging cables to do so with style? The Power Pouch is right for you!

- A reserve battery hidden in a carrying pouch combining power and beauty to charge your smartphone while on the go…

- An extra USB port is located inside the Power Pouch to recharge an additional mobile terminal

- The ideal solution for emergency situations offering 2 complete charges for your mobile devices

- 6000 mAh battery for up to 27 hours of talk time, enough

- Compatible with iPhone (Lightning) and Android (micro-USB)

Tip: A lightning cable and a USB charging cable are cleverly housed in the same pouch

Micro-USB Version

Lightning Version

- Stylish, elegant and sleek packaging design coherent with the product and in line with all of the *"Use Project"* range

- Premium quality packaging printed on smooth surface chromolux paper to add the perfect finishing touch to the product

- Pictograms clearly presenting the main product features and benefits

Built-in Cables	Extra USB charging port	2 full charges	1 smartphone + 1 tablet	Battery Capacity
